

# Reception Family fun homework

## Do you want to be friends?

At Longwood we offer homework in a variety of ways. Your child may choose from the following projects or make-up their own and can complete as many as they wish.

- Bake or make something to eat with your friends.
- Design a poster on how to be a good friend.
- Design a game to play with your friends. Write or draw a picture of the game to show your friends.
- Make friendship jewellery or decorations such as a bracelet.
- Draw or paint a picture of you and your friends.
- Create a board or collage all about you. It could include your favourite things and toys, your favourite games to play with your friends, who your friends are etc.

Your project needs to be brought to school by the end of September to share with the class.

Happy homework! Miss Stringer

## What else can I do to help my child at home?

- Home learning packs

Remember you can borrow a home learning pack at any time to help your child learn further at home. Just pop a note diary if you would like one!

- Reading

Try and read with your child at least 3 times a week.

## Reception Homework Autumn Term 2

### Why do squirrels hide their nuts?

This term we will be learning about autumn, hibernation and animals. At Longwood we offer homework in a variety of ways. Your child may choose from the following projects or make-up their own and can complete as many as they wish.

#### Projects

- Cook a dish using autumnal fruit and vegetables.
- Go conker collecting and then thread them!
- Make a hedgehog home for your garden. Take photos or bring it in to show us.
- Make a collage of a woodland animal using natural materials.
- Go on a nature walk in the woods.
- Research a woodland animal and create a poster or leaflet to share the information.
- Make a celebration poster on Autumn festivals such as Bonfire night or Diwali.

**Your project needs to be brought to back to school two weeks into the term to share with the class.**

Happy homework!

Remember you can borrow a home learning pack at any time to help your child learn further at home. Just pop a note in the diary if you would like one!
- Reading  
Try and read with your child at least 3 times a week.

## Reception Homework Spring 2

### Do cows drink milk?

### Why do ladybirds have spots?

Animal madness has descended in Reception so this term we will be learning about all things animal. This will include bugs, mini-beasts, different types of animals and a visit to the local farm. Your child may choose from the following projects or make-up their own. They can complete as many as they wish.

#### Projects

Go on a bug hunt and see what you can find in your garden. Record the results.

Make a bug home or hotel. What do they need? How should you look after them?

Write or make collage all about your favourite mini-beast.

Make a home for your favourite animal. What do they need? How should you look after them?

Read lots of books about animals. Create a fact-file or information page about an animal or mini-beast.

**Your project needs to be brought to school by the 2<sup>nd</sup> week of term to share with the class.**
