MITA PROJECT

Longwood has successfully become a research school for the MITA project. This two year research project will help us further monitor the impact of our support staff. Our Support staff across the school do an amazing job and ensure specific pupils are given the guidance required to make progress. This research will help us be even better!

WEATHER CHANGE

We are all feeling the change in weather conditions. Please may we remind you that children should come to school with the necessary uniform and outerwear for the colder rainy days.

THANK YOU!

Huge thank you to Miss Z Russell for acquiring funds from IHG to further develop our Forest area.

LITTLE OAKS PRE SCHOOL

We are so proud to see how our little ones have settled in so well!!! They are making new friends and are learning lots of new and exciting things! Their interests so far are; mini beasts, babies, creative activities and cars.

WELL DONE TO ALL

We still managed to have a fantastic sports afternoon, despite the weather changing our plans!

Fabulous sportsmanship was demonstrated by all that took part. You are all winners!

New Longwood Web Site

We hope you have all had the chance to visit the new school web site. The web address remains the same as before, however the mobile App is no longer in use. All access to the site is directly through www.longwood.staffs.sch.uk
