### PUPIL ASSET

We apologise to those of you that are having difficulties. We are doing our best to deal with the problems you have informed us of. Please feel free to come to the office for any assistance. Thank you for your patience.

### LOCKDOWN POLICY

The pupils may start to talk about how we have played "hide and seek" during the day at various times. Like the fire evacuation policy we are required to practise the lockdown policy and make amendments to ensure the safety of our pupils and staff. During an official lockdown the phone lines need to remain clear at all times and the main gate, should it be safe to do so, will be locked. This is to enable us to be able to contact the security systems required and keep everyone inside the school grounds as safe a possible. I'm sure you understand we do not want to alarm the pupils in any way but are required to ensure the policy is effective so to comply we play "hide and seek" Thank you for your co operation.

### SCHOOL VISION

Like all parents we want our pupils to feel safe and learn in a fun exciting way. This is only achievable if we work together.

We urge you to book an appointment to calmly talk through any issues with the class teachers. We are sure you appreciate that the staff are very busy and cover is required to release them from their classroom duties
