### HEAD LICE

We have had several cases of head lice in school this week. They are very tiny and difficult to see especially in thick hair. Please can you **ALL** check your child's hair as a matter of priority. Thank you.

A big THANK YOU to all of you that had a school dinner on CENSUS day.

### BIRTHDAYS IN SCHOOL

We are proud to introduce our **Birthday Party Lunches** at school. We know how special **Birthdays** are to all of us! The forms are available from the school office. We look forward to some **Birthday fun!**

Please note that the children are no longer allowed to distribute sweets/food from home (sweets on birthdays or from holiday) Due to various pupils with allergies, we are having to take this step to ensure everyone's safety.

**PUPIL ASSET** is up and running correctly! Please can you inform us if you have any problems at all. We REALLY appreciate your co operation during this time. We understand how frustrating it has/can be.

Ever thought how it must feel if you are not 'normal'? What is 'normal'? Do we forget that not everyone around us is the same as us?

Each week, LINGO will focus on an attribute that may make us different from each other, so that we all learn to appreciate and respect each other even more.

### OFFICIAL MUGA OPENING!

On Friday 13 October @ 11 am, we will be having the official opening of our MUGA. We will have GB Hurdler Meghan Beesley as our official guest, local councillors and local press!

Some of the children will be asked to take part at the opening and they will be informed before the event.

**YR 3 & 4 visit to TESCO** - 'we went in the staff room, freezers, bakery and fishmongers. We ate some cheese and saw a fish being filleted- we saw its heart! We enjoyed our day'
