## SOCIAL MEDIA

Important Information

We all use social media as a form of communication and while doing so, we are sharing our thoughts and views with the world. Throughout the use of social media, there is the risk that something we share can be reposted elsewhere. If 'defamatory' (something that could be damaging to someone's reputation) material is posted or shared, then there are potential legal implications. If an on line comment damages a persons reputation, it is a civil offence. These rules also apply to the 'sharing' or 'retweeting' of someone else's posts.

Please be mindful before you post and the best way to be completely safe is to avoid posting/contributing to gossip unless the facts are clearly 100% true. THANK YOU.

**LONGWOOD PRIMARY SCHOOL Picture Special**

Meghan Beesley shows students how to get the best out of exercise.

Pupils wait for the official opening of the play area.

Meghan Beesley took time out her schedule to open the new area.

**GRAND UNVEILING:** Students at a Tamworth school were all smiles after a new state-of-the-art sports facility was opened. Youngsters Longwood Primary School, in Alton Avenue, were eager to try out the new equipment after the school opened their new MUGA (Multi Use Games Area). It has a fenced all-weather surface, is marked out for football and has basketball hoops, goal posts and lighting. The state-of-the-art centre was even opened by Great British athlete, Megan Beesley. For more information, visit the school's website on <http://www.longwood.staffs.sch.uk/>

## SEASONAL FAYRE

A HUGE thank you to all pupils, parents and staff for making the fayre such a massive success yesterday! A good time was had by all.

Congratulations to our raffle winners. A complete list of the winners is on display at the school entrance. We will be contacting all of the winners today.

The winner of the children's hamper for selling the most raffle tickets will be revealed in this after-  
noons school assembly!
