COUGHS AND SNEEZES

We have a lot of children off at the moment with bad colds and chest infections. In the “old days” we used to say “coughs and sneezes spread diseases, stop them with your handkerchiefs”! Many children probably do not know what a handkerchief is!

Please can we remind all pupils to put their hand over their mouth when they cough/sneeze. As well as helping to stop the spread of infection, it is a matter of curtesy and good manners. Thank you.

NURSERY. Are you eligible for 30hrs funding? Pop into nursery to enquire if we have spaces to accommodate or drop us an e mail office@longwood.staffs.sch.uk putting ‘nursery Spaces’ in the subject box
