MOTHER'S DAY MEALS

Our mother's day meals were a huge success! Thank you to all the mums that came and a huge **thank you to the kitchen staff** for their extra work and efforts.

SCHOOL DINNERS

We are now starting the process of pre ordering school dinners. This is done on pupil asset and allows parents and children to pre book what meal they would like at home together. Not only does this allow parents to monitor/help decide what their child eats at school, but it also ensures your child gets their preferred choice of food. The school menu is available on the school web site/school notice board and the 'week' we are on is on Lingo each week. Please can we request that all parents start to use this system and contact the school office should you have any problems. We are having a preliminary period up until Easter but it will become compulsory from next term . Thank you.
