

Year 6 Homework

Frozen Kingdom

Your homework is due **by the second week of term** You can choose how you present your work but have a go at one of the following:-

- Imagine that Earth has entered another Ice Age. Write a diary-style piece describing the changes and how the human race has adapted to cope.
- Use a range of snowy images to create a polar collage. Remember to use lots of interesting textures, shapes, colours and patterns.
- Make 'iced jewels'. Mix powder paints and dyes into water, in an array of colours. Pour into an ice cube tray before freezing overnight. Pop the cubes out and explore your iced jewels. What happens if you sprinkle salt on the cubes?
- Create your own Arctic and Antarctic word search puzzles using all the new words you have learned during the project. Challenge a grown-up to solve it!
- Make a model of your favourite Arctic animal using clay, dough or recycled materials. Take it in to school and explain how you made it.
- Create a poster or brochure for a new travel company which arranges visits to the Arctic or Antarctic. Use powerful images and text to tempt customers who want an extra-special trip!
- Design a pair of snow boots for an Arctic explorer. What materials would you use? What features could they have? Let your imagination run wild!

Parents

- Encourage your child to read every day. Listen to them read as often as you can.
- Even confident readers can benefit from reading aloud, ask them about their book.
- Spellings, maths and a reading comprehension will be put on Google Classroom on a Friday.
- Spellings will be tested on the following Friday.
