

Year One Homework

“Me, myself and I”

You can choose how to present your work but please have a go at following:

- Draw a picture of your whole family (including pets!) and label it.
Make a mini photo album from baby to now, what have you learned to do since then?
- Find a place to stand, it could be in your house, garden or somewhere else. What can you hear, see, smell, taste and touch?
- Ask a grown up about your family tree. Can you draw it?
- Draw, collage or paint a self-portrait & describe yourself, e.g. blonde, shiny hair.
- Find a photo of you. Write down the things that are special about you around it, e.g. I can count. I can run fast, I am caring.
- Draw or write a list of all of your favourite things, e.g. colour, food, drink, game to play, place to go.

Parents - how to help your child:

- Please encourage your child to attempt to write their own name as often as possible.
- Specified days for activities such as show and tell and library book changing will be given out in due course.
- Ask your children to help you count around the house, e.g. can you fetch me three slices of bread, can you count out how many t-shirts are hanging on the washing line?

Happy homeworking! We look forward to seeing you all soon!
