

Reception Homework

At Longwood we offer homework in a variety of ways. Your child may choose from the following projects or make-up their own and can complete as many as they wish:

“Do you want to be friends?”

- Bake or make something to eat with your friends, send in a photograph!
- Design a poster on how to be a good friend.
- Design a game to play with your friends. Write or draw a picture of the game to show your friends.
- Make friendship jewellery or decorations such as a bracelet.
- Draw or paint a picture of you and your friends.
- Create a board or collage all about you. It could include your favourite things and toys, your favourite games to play with your friends, who your friends are etc.

Parents - how to help your child:

- Please encourage your child to attempt to write their own name as often as possible.
- Ask your children to help you count around the house, e.g. can you fetch me three slices of bread, can you count out how many t-shirts are hanging on the washing line?
- Ensure that your child enjoys their weekly library book

Happy homeworking! We look forward to seeing it all soon!

Thank you, Miss Ranch 😊
