

YEAR 1 HOME LEARNING

WRITING

Please practise writing in full sentences with capital letters, full stops and finger spaces. You can use the writing prompts in your learning pack.

READING COMPREHENSION

There are a number of reading comprehension tasks in your pack to work on. Please complete two a week.

DAILY READING

There is still an expectation that children will read at least three times a week and fill in their journals. This is a great opportunity to read some good books.

Dear Parents,

Here is an overview of the learning I would like the children to be completing over the coming weeks. Longwood Primary School are committed to ensuring your child is still learning as much as possible and endeavour to do our absolute best to keep this happen. If you do not have access to a printer, please complete on a scrap piece of paper and keep it together.

Kind regards

Miss Fisher

SCIENCE

Make way through science packs. We have covered materials and animals including humans. Our topic this half term has been seasonal changes.

Have a go at these fun and easy science experiments to do at home.

<https://www.rigb.org/families/experimental>

PHONICS

Practise sounds/ writing words using their phonics (choose 1 or 2 sounds a day to focus on)

Work through phonics pack

Phonics play (free - used a lot in school)

<https://www.phonicsplay.co.uk/>

GEOGRAPHY

What was Tamworth like in the past? Research Tamworth. What places/buildings are still there today that were there 50 years ago? How has Tamworth changed? Can you find online maps and pictures?

MATHS

Maths Pack

You have maths packs to work through. Please go through and choose topics you need to practise.

Top marks Hit the Button. Click on number bonds

<https://www.topmarks.co.uk/maths-games/hit-the-button>

ICT

Scratch: use <https://codeclub.org/en/> to create a free account and complete projects you find most interesting.

PE

Go noodle - <https://app.gonoodle.com/>
Choose different exercises to do
