Headteacher: Mrs Pauline James

Dear Parent,

You may be aware that our KS2 school library has had a fantastic makeover and we have been fortunate enough to be able to purchase an up to date library system and many, many beautiful new books.

As part of our constant drive to increase reading for pleasure, every week, your child will be able to borrow one of these books to read at home. This will be logged out on the new system to allow us to track the whereabouts of all the books. As I am sure you understand, these books are a valuable resource for our school and we ask that children take care of them. Should a book be lost or damaged the school will request that the book is replaced or a contribution to the cost of replacing the book is made.

Please could you sign the slip below accepting responsibility for the book your child brings home. Once the slip is returned your child may take a free choice book home.

Yours sincerely

Mrs Whittle.

.....

### Library Book Responsibility

I accept responsibility to replace or pay for the replacement cost if a free choice library book is lost or damaged.
